A thorough understanding of the facts involving collective bargaining, strikes, Union fines against members, and obligations owed by employees to the Union.

☼ An understanding of what the supervisor can do prior to and during an organizing campaign. A thorough understanding of the TIPS rules including common questions that employees ask supervisors during pre-petition activity and desired responses.

☼ Supervisor/employee role-playing scenarios involving common situations that occur during Union organizing pre-petition activity.

☼ Systematic captive audience meetings with all supervisors and voting employees on a weekly basis, with distribution of appropriate handouts in English or any other applicable language.
