Re: Agreement for Professional Services

Mr. McManis,

In accordance with our conversation and mutual agreements, this letter will confirm that Level 3 Communications ("Client") has retained The Crossroads Group Labor Relations Consultants ("Consultant") regarding general personnel and labor relations activities at several of Client's locations commencing on or about August 14, 2017 and ending no later than September 30, 2017. This agreement may be terminated at any time by either Client or Consultant and may be extended by mutual agreement between the parties.

Our fees for this project will be charged on a daily basis. You will receive my personal services and those of my partner, Steve Beyer, at the discounted rate of \$3,000.00 per day, per partner. Client will be billed at the discounted daily rate of \$2,800.00 for any other senior consultants authorized by Client. In addition, Client will be billed for one-half portal-to-portal travel time, capped at a daily maximum of four hours (one-half of eight hours travel time), and reasonable and customary out-of-pocket expenses. Hourly travel time shall be computed by dividing the applicable daily rate by eight. Client will not be charged the daily rate for any day that Consultant travels without performing any other consulting services.

We agree to send you statements clearly showing the basis for our fees and charges by detailing the services rendered and costs incurred on a weekly basis. All fees and expenses not previously paid are due and payable in full within forty-five (45) days of Client's receipt of each statement. Client understands that if payment is not made in full within forty-five (45) days of Client's receipt of each statement, Client's account shall be considered past due and an interest charge may be added to the outstanding balance in an amount equal to one and one-half percent (1.5%) per month.

Consultant is retained to provide independent and objective professional judgment and recommendations, accordingly, a difference of opinion on a question of professional judgment shall not excuse the Client from fees and costs incurred in the collection of any outstanding accounts receivable.

If Consultant is requested by Client, or if as a consequence of an assignment Consultant is required by judicial or administrative process to participate, appear, or testify in anticipation of, or during legal or dispute resolution proceedings of any kind during the period Consultant is providing services or thereafter, Consultant will reasonably comply with any such request or requirement based on advice of legal counsel. In the event that Consultant does so participate in any manner, the Client shall pay to Consultant all professional fees and other fees of Consultant in effect as well as the cost and expenses, including reasonable attorneys' fees, incurred in anticipation and resulting from such proceedings. These fees and expenses are in addition to any fees paid or owed for services performed or to be performed.

Any controversy or claim arising out of or relating to this Agreement, its validity, or the breach thereof, shall be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA). A single neutral arbitrator shall be appointed in accordance with the AAA Rules to resolve the dispute.

The arbitrator shall be an attorney who is knowledgeable in business and labor laws, and who is experienced in labor relations and union organizing activities involving employers. The arbitration hearing shall be held in Denver, Colorado. This contract shall be interpreted and governed by the laws of the State of Colorado. The arbitrator shall award to the prevailing party all its costs and fees, including AAA filing and administrative fees and attorneys' fees.

Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Should any party refuse to arbitrate or file a court action regarding a claim, which is subject to arbitration under this Agreement, the other party shall be entitled to recover its costs and reasonable attorneys' fees in enforcing this arbitration agreement in court.

During the course of our representation, we will endeavor to keep you fully advised as to the status and progress of this matter, including our view of your rights and potential liabilities or exposure, and our recommendations as to an appropriate course of action in view of the facts, circumstances and issues involved. However, we must emphasize that our firm has not made, and cannot make any representations or guarantees regarding the successful outcome of any matter or the actual amount of any fees or costs you will incur. Often, the results in a matter and the costs and expenses are controlled by external factors beyond our control, including the factual circumstances, course of the project, logistics, etc.
