**RE: 3-RC-12019**

### Situation Assessment

You have asked for a proposal to provide materials and consulting services to help you win your upcoming NLRB election. You have a few short weeks to educate your employees on the disadvantages of unions and convince them to put their trust in a direct relationship with you as opposed to an outside third party like the union. You want to make sure that your consulting is persuasive, legally sound and provides the best opportunity to build trust with your employees.

### Proposed Intervention(s)

- **Guaranteed Consulting:** For this option we will provide expert campaign consulting with an on-site facilitator to communicate your message directly to employees in employee meetings and one-on-one. Our consultant will work with managers and supervisors at your location to increase your own internal capacity for handling employee relations issues after the campaign is over. Based on our joint assessment of the need, we will assign appropriate consulting resources to your campaign for a pre-approved schedule of meetings for the duration of your campaign. This option does not include representation before the NLRB, which would require an additional engagement if desired by the client.

### Objectives

- Win the NLRB election by as wide a margin as possible or achieve a withdrawal of the petition, without meritorious election objections or unfair labor practice charges.
- Increase trust and credibility of the current leadership team by improving communication and developing their ability to create a positive employee relations environment.
- Maintaining a direct-relationship at your facility (unionized facilities are less productive and profitable than direct relationship ones – the estimated “dead weight cost” of unionization around 25% more than the cost of operating non-union).

### Value to Organization

- You avoid a steep-and slippery-learning curve and are free to do the most important trust-building work. You can talk to employees without engaging in “mud-slinging” – you are free to spend your time on a positive message about the company.
- Your communication strategy is legally proven and sound. Our communication tools have never been found to be objectionable by the NLRB in thousands of elections.
- You receive a proven program, with over 10,000 successful client engagements.

**Terms and Conditions**

The fee for the Guaranteed Option is a project price of \$20000 (plus expenses) minus \$1506.95 for materials previously purchased. The project price assumes approximately 6 days of consulting. Should the election date be extended for any reason whatsoever, you agree to pay for one additional day per week at our customary rate of \$3,000 per consultant per day. The total project price includes a nonrefundable \$5000 communication tools fee for videos, data and other support materials. The remainder of the fee guarantees an election win. For purposes of this agreement, an "election win" is defined as a withdrawal of the petition or a win at the ballot box, and an election loss is defined as a certification by the NLRB that the union was selected as representative of your employees. This agreement covers consulting up to and including the initial election date (June 17, 2011) directed or stipulated to by the company and the union. Should additional days of consulting be requested by the client it is understood those additional days will be billed at our customary rate of \$3,000 per day. Should the client fail to schedule additional consulting days on a mutually agreeable schedule the parties understand and agree that the initial retainer fee shall become nonrefundable and due to LRI. Travel expenses and any additional consulting days beyond the election date in this agreement will be billed separately and are not subject to the guarantee.

**Payment Terms**

For the Guaranteed Option we require a 50% retainer due upon acceptance of the proposal. We will apply that retainer to the project price. You agree to pay this fee up front and those funds will remain in an escrow account until the election. LRI will be due the entire fee upon a certified election win. LRI will refund all fees other than fees for expenses on an election loss. For purposes of this paragraph, an "election win" is defined as a withdrawal of the petition or a win at the ballot box and an election loss is defined as a certification by the NLRB that the union was selected as representative of your employees. Travel expenses will be billed separately and are not subject to the guarantee. Based on the vote count and in the event of a "win," you agree to pay the balance of the project price within 7 days of the NLRB election. Should your company lose the NLRB election, LRI will refund the initial retainer payment paid (less the \$5,000 communication tools fee) within 7 days. Any expenses incurred by consultant will be billed to you and are due upon receipt and you agree to settle those statements within 7 days and to provide a credit card for us to settle outstanding invoices not paid by that time. You agree and acknowledge that failure to pay fees or expenses associated with this project under these terms will result in reassignment of consultant(s), a penalty of the maximum allowable interest rate per month plus any costs we incur to collect an outstanding balance, until all outstanding invoices are paid in full.

It is further understood that all materials included in or with the above referenced items or programs are fully covered and protected by federal copyright laws. You also acknowledge and agree that we have informed you of the obligation to report any direct persuader activity performed on your behalf to the United States Department of Labor by both our firm and your firm and that failure to timely file these reports can subject your company criminal penalties. Your payment, in the absence of your signature below, indicates your acceptance of this project and the terms and conditions as stated herein. The parties agree that Oklahoma law governs any dispute between them and to resolve any disputes by arbitration in Tulsa, Oklahoma under the American Arbitration Association rules.
