Proposal/Contract

Dear Ms. Findlay,

RE: Petition

First Steps:

You have asked for a proposal to provide materials and consulting services to help you win your upcoming NLRB election. Since there are only a few weeks to educate your employees on the disadvantages of unions and convince them to put their trust in a direct relationship with you as opposed to an outside third party like the union we should move quickly. It is important that your conversations with employees are persuasive, legally sound and provides the best opportunity to build trust with your employees.

Proposed Intervention(s):

Campaign Consulting: For this option we will provided expert campaign consulting by Byron Clay as an on-site facilitators to communicate your message directly to employees in employee meetings and one-on-one. Based on our joint assessment of the need, we will assign appropriate consulting resources to your campaign for a pre-approved schedule of meetings. This does not include representation before the NLRB.

Objective:

- Prevent the filing of a NLRB petition and if filed to win the NLRB election by as wide a margin possible or achieve a withdrawal of the petition, without meritorious election objections or unfair labor practice charges.
 - Increase trust and credibility of the current leadership team by improving communication and developing their ability to create a positive employee relations environment.
 - Maintaining a direct-relationship at your facility (unionized facilities are less productive and profitable than direct relationship facilities with the estimated "dead weight cost" of unionization around 25% more than the cost of operating a non-union facility).

Value Reliant Consulting Services, LLC. brings to your Organization:

- You avoid a steep-and-slippery-learning curve and are free to do the most important trust-building work.
 - You can talk to employees without engaging in "mud-slinging." You are free to spend your time on a positive message about the company.
 - Your communication strategy is legally proven and sound.

The fee for consulting is \$3000 per consultant per day (plus travel expenses). For purposes of this proposal a consulting day means each calendar day worked by each consultant. If more than one consultant is working on your case the parties understand and agree that multiple consulting days may be worked on each calendar day.

Payment Terms:

All fees are due upon the delivery of the consulting services and are non-refundable. You agree to pay any additional consulting invoices upon receipt and to settle those statements within 7 days. Additional expenses incurred by consultant will be billed to you and you agree to pay those invoices upon receipt and you agree to settle those statements within 7 days. You agree and acknowledge that failure to pay fees or expenses associated with this project under these terms will result in reassignment of consultant(s), a penalty of the maximum allowable interest rate per month plus any costs we incur to collect an outstanding balance, until all outstanding invoices are paid in full.

You further acknowledge that no representation by Reliant Labor Consultants, LLC. or its representatives were relied on by you or any member of your company in entering this agreement, and that this document represents the full understanding of the parties. You also acknowledge and agree that we have informed you of the obligation to report any direct persuader activity performed on your behalf to the United States Department of Labor by both our firm and your firm and that failure to timely file these reports can subject your company criminal penalties.
