9. Check the appropriate box to indicate whether an object of the activities undertaken, is directly or indirectly:
a. To persuade employees to exercise or not to exercise, or persuade employees as to the manner of exercising, the right to organize and bargain collectively through representatives of their own choosing.
b. To supply an employer with information concerning the activities of employees or a labor organization in connection with a labor dispute involving such employer, except information for use solely in conjunction with an administrative or arbitral proceeding or a criminal or civil judicial proceeding.

10. Terms and conditions (Explain in detail; see instructions. Written agreements must be attached.):

I had a verbal agreement between Labor Resource Institute (LRI) and myself to give speeches and to speak to employees on an individual basis regarding their rights to organize and bargain collectively. The terms specified were \$1500 per day plus expenses, I was on the site for a total of (2) two days. All expenses were covered by the client on site with the exception of airfare which was covered by LRI. According to my bank statement, LRI deposited \$5000.00 via wire transfer into my bank account on 11/27/2007. I have included a copy of my bank statement in this report. I do not have a copy of the agreement, as I was never forwarded a copy of the agreement by any LRI authority. I have attached a copy of the Agreement and Activities Report and a copy of the LM-21 filed by LRI which is the only documentation relating to this assignment I could find on the Department of Labor OLMS website.
