Organization: The Bennett Law Firm, P.A.

File Number: C-00214

For the Period Ending: December 31, 2007

## ATTACHMENT 1 of 1 TO FORM I.M-21

Section B, Items 5-6: We have included a list of employers for whom we provided labor relations advice and services for the time period covered by this report. The majority of these clients receive general labor and employment law advice on a retainer basis. This advice may or may not pertain to reportable activity. Further (except as noted below), the portions of receipts attributable to reportable activity are not shown separately on our records. Thus, for the time period covered by this report, no Forms LM-10 or LM-20 have been generated except for the following clients for whom specific reportable activity associated with union campaigns was undertaken and for whom separate receipts were maintained:

 Coca-Cola Bottling Company of Northern New England, Inc.: Forms LM-10 and LM-20 filed for FY2007

Section C, Items 7 – 14: We are a law firm and have disbursements for other practice areas of law in addition to labor relations advice and services. Further, those disbursements attributable to labor relations advice and services and the other practice areas are not shown separately on our records. We have calculated that the total receipts listed in Item 6 represent 34% of the firm's total receipts for the time period covered by this report. As such, we have allocated 34% of our total disbursements for Items 7-14 accordingly.
