Labor Relations Institute (LRI) Consulting Services Proposal 10/12/2018

Pre-Petition Campaign Consulting

Situation Assessment

Provide a subject matter expert to educate and prepare company employees for union organizing activity. You want employees to understand that union cards are legal documents, that they need to protect their personal information and some of the common misunderstandings employees have about unions.

Proposed Intervention(s)

Pre-petition Campaign Consulting: Provide a senior LRI consultant to communicate company message directly to employees, to answer their questions accurately and assess your vulnerability during small group meetings.

Objectives

- Train employees on the facts about union cards, common tactics used to get employees to sign cards and the facts to consider before signing a union card.
- Provide a credible subject matter expert who immediately increases your capacity to legally and persuasively respond to potential union organizing activity.
- Assess the organizing union's progress and your vulnerability to determine the level of risk to your direct relationship with employees.
- Prevent National Labor Relations Board (NLRB) petitions.

Value to Organization

- You substantially reduce your company's vulnerability to union organizing and become a "hard target" by making it difficult for an organizer to get cards signed using typical tactics.
- You will better understand your level of risk and make better decisions about responding to union organizing.
- You will better understand your employees' issues and your opportunities to improve employee relations and retain the direct relationship privilege.

Proposal Pricing/Fees

The fee for consulting is \$3,000 per consultant per day (plus travel expenses). For purposes of this proposal a consulting day means each calendar day worked by each consultant. If more than one consultant is working on your case the parties understand and agree that multiple consulting days may be worked on each calendar day.

Payment Terms

All fees are due upon the delivery of the consulting services and are nonrefundable. Consulting fees and expenses incurred by consultant will be billed to you and you agree to pay those invoices upon receipt and to settle those statements within 14 days. You agree and acknowledge that failure to pay fees or expenses associated with this project under these terms will result in reassignment of consultant(s), a penalty of the maximum allowable interest rate per month plus any costs we incur to collect an outstanding balance, until all outstanding invoices are paid in full.

It is further understood that all materials included in or with the above referenced items or programs are fully covered and protected by federal copyright laws. Federal law provides civil and criminal penalties for the unauthorized reproduction, distribution or exhibition of protected products.

Labor Relations Institute (LRI) Consulting Services Proposal 10/12/2018

You further acknowledge that no representation by LRI or its representatives were relied on by you or any member of your company in entering this agreement, and that this document represents the full understanding of the parties. You also acknowledge and agree that we have informed you of the obligation to report any direct persuader activity performed on your behalf to the United States Department of Labor by both our firm and your firm and that failure to timely file these reports can subject your company to criminal penalties. Further, you agree to make LRI aware of and share copies of any unfair labor practice charges and or objections and challenges to the conduct of an election alleging anything regarding speech or behavior, in any form, on the part of any LRI consultant.

Your payment, in the absence of your signature above, indicates your acceptance of this project and the terms and conditions as stated herein. The terms and conditions on this proposal are good for 90 days from the date on this proposal unless specified otherwise.
