**RE: ACT Training** 

#### Situation Assessment

You want to provide a subject matter expert to educate and prepare your employees for union organizing activity. You want employees to understand that union cards are legal documents, that they need to protect their personal information and some of the common misunderstandings employees have about unions.

# Proposed Intervention(s)

ACT Training: For this option we will provide a senior LRI consultant to communicate your message directly to employees, to answer their questions accurately and assess your vulnerability during small group meetings.

#### **Objectives**

- Train employees on the facts about union cards, common tactics used to get employees to sign cards and the facts to consider before signing a union card.
- Provide a credible subject matter expert who immediately increases your capacity to legally and persuasively respond to potential union organizing activity.
- Assess the organizing union's progress and your vulnerability to determine the level of risk to your direct relationship with employees.
- Prevent NLRB petitions.

# Value to Organization

- You substantially reduce your company's vulnerability to union organizing and become a "hard target" by making it difficult for an organizer to get cards signed using typical tactics.
- You will better understand your level of risk and make better decisions about responding to union organizing.
- You will better understand your employees' issues and your opportunities to improve employee relations and retain the direct relationship privilege.

#### **Terms and Conditions**

The fee for consulting services is \$3,000 per day per consultant (plus travel expenses).

#### **Payment Terms**

All fees are due upon the delivery of the consulting services and are nonrefundable. Consulting fees and expenses incurred by consultant will be billed to you and you agree to pay those invoices upon receipt and to settle those statements within 14 days. You agree and acknowledge that failure to pay fees or

Your payment, in the absence of your signature below, indicates your acceptance of this project and the terms and conditions as stated herein. The terms and conditions on this proposal are good for 90 days from the date on this proposal unless specified otherwise. The parties agree that Oklahoma law governs any dispute between them and to resolve any disputes by arbitration in Tulsa, Oklahoma under the American Arbitration Association rules.
