Re: Agreement for Professional Services

Dear Mr. Sieja:

In accordance with our conversation and mutual agreements, this letter will confirm that Serco Inc. (North America) ("Client") has retained The Crossroads Group Labor Relations Consultants ("Consultant") regarding general personnel and labor relations activities related to the NLRB election campaign at your facilities in the Philadelphia, Pennsylvaria area.

Our fees are charged on an hourly basis in minimum units of a quarter of an hour for all time actually expended on your behalf. You will receive my personal services, which are billed at \$375.00 per hour. Clients are billed at the hourly rate for all time expended on their behalf, plus reasonable and customary out-of-pocket expenses and one-half travel time.

We agree to send you statements clearly showing the basis for our fees and charges by detailing the services rendered and costs incurred on a weekly basis. We will send you statements on a weekly basis and expect to be paid on a weekly basis. All fees and expenses not previously paid are due and payable upon receipt of each statement. Unless price arrangements are made, the Client agrees to pay the statement promptly and in full, understanding that if payment is not made in full within thirty (30) days of the statement date, the Client's account shall be considered past due and an interest charge may be added to the outstanding balance in an amount equal to one and one-half percent (1.5%) per month. Consultant is retained to provide independent and objective professional judgment and recommendations; accordingly, a difference of opinion on a question of professional judgment shall not excuse the Client from fees and costs incurred in the collection of any outstanding accounts receivable.

Our firm always strives to offer our clients the greatest value possible by delivering the highest quality services in a timely fashion. In return, we request that upon receipt of our statements, you review them to determine if you have any questions or comments. If so, please call me immediately. Additionally, we reserve the right to withdraw as your Consultant if you fail to pay our statements and other bills in a timely manner.

If Consultant is requested by Client, or if as a consequence of an assignment Consultant is required by judicial or administrative process, to participate, appear, or testify in anticipation of, or during legal or dispute resolution proceedings of any kind during the period Consultant is providing services or thereafter, Consultant will reasonably comply with any such request or requirement based on advice of legal counsel. In the event that Consultant does so participate in any manner, the Client shall pay to Consultant all professional fee's and other fees of Consultant in effect as well as the cost and expenses, including reasonable attorneys' fees, incurred in anticipation and resulting from such proceedings. These fees and expenses are in addition to any fees paid or owed for services performed or to be performed.

Any controversy or claim arising out of or relating to this Agreement, its validity, or the breach thereof, shall be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA). A single neutral arbitrator shall be appointed in accordance with the AAA Rules to resolve the dispute.

The arbitrator shall be an attorney who is knowledgeable in business and labor laws, and who is experienced in labor relations and union organizing activities involving employers. The arbitration hearing shall be held in Orange County, California. This contract shall be interpreted and governed by the laws of the State of California. The arbitrator shall award to the prevailing party all its costs and fees, including AAA filing, administrative and attorneys' fees.

Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Should any party refuse to arbitrate or file a court action regarding a claim, which is subject to arbitration under this Agreement, the other party shall be entitled to recover its costs and reasonable attorneys' fees in enforcing this arbitration agreement in court

During the course of our representation, we will endeavor to keep you fully advised as to the status and progress of this matter, including our view of your rights and potential liabilities or exposure, and our recommendation as to an appropriate course of action in view of the facts, circumstances and issues involved. Consultant will have Client's labor counsel review campaign materials and draft communications for legality prior to dissemination.
